2211 East Camelback Road, #704
Phoenix, Arizona

Experience commanding city light views of the Phoenix skyline as well as majestic mountain vistas from this sublimely elegant apartment at The Residences at 2211 Camelback, the most preferred high-rise address in the prestigious Camelback Corridor.

This highly upgraded residence features sleek travertine flooring, granite and marble countertops, coffered ceilings and rich glazed maple cabinetry. Each room is bathed in natural light from large view windows and it features two expansive balconies with views of the south valley.

The stunning great room features custom carpeting, coffered ceiling, gas fireplace with tumbled stone surround, wet bar with under-counter refrigerator and adjacent dining room with sliding door opening onto balcony.

Perfect for the home chef, the gourmet kitchen features travertine flooring, granite countertops, glazed maple cabinetry, ebony farm sink, Dacor oven, 5-burner cook top and microwave, Asko stainless steel dishwasher, ice maker and a breakfast bar with halogen pendant lighting.

The split master suite has an intimate sitting area and a luxurious bath with deep soaking tub, travertine shower, his-and-hers sinks, dressing table, private water closet and fitted walk-in closet with his-and-hers cabinetry, clothes hamper and secured jewelry storage.

The large guest suite has an elegant coffered ceiling, sliding door to balcony and an en-suite travertine bath with fitted walk-in closet. The third bedroom is currently used as a study but has an adjacent bath so could easily covert to a bedroom. In addition, this unit includes two underground parking spaces as well as a secured storage room.

When you leave this exquisite apartment, you can take advantage of the unparalleled building amenities including a party room, catering kitchen, business center, fitness center with steam and massage rooms, roof top pool terrace with spa, fire pit and BBQ and a concierge staff available for your every need.
